Communication during their stay at the Ranch

We have found that campers that do not receive packages could have a negative effect on the camp community. For this main reason, we have **a no package policy.** Please *do not* send any notes by mail.

We do allow you to send your daughter one email by Thursday, while she is at camp. We will print it and give it to your daughter. Please note that they are unable to respond via email. We ask parents/guardians to limit their emails to one, and to please not send photos or e-cards. Send camper emails to: camp@mmhorseranch.com with the camper's first and last name in the "subject line".

Do Not Bring to Ranch: cell phones, electronics, candy, gum, their personal money, expensive jewelry, costly cameras, expensive clothing. The camp **is not responsible for items lost, left or damaged.** We recommend that campers leave all valuables at home as they are not needed at camp.

Students are **not allowed to have electronics with Wi-Fi or network** capability, as they create distractions as well as interfere with the development of communication skills. Older iPods and MP3 music players will be permitted for campers to listen to music. We do allow campers to listen to personal music at rest hour and bedtime (e.g., only in the bunkhouse).

(If a student must bring a cell phone, please inform us & we will hold it for her, and student will receive it after camp is over.)

In case of an emergency, please leave a message at 512-677-4002.
